Welcome
Chairman LC Williams welcomed the attendees of the 64th Annual Meeting of Space Age Federal Credit Union.

Convened
Space Age Federal Credit Union’s 64th Annual Meeting was held at the White Fence Farm, Lakewood, Colorado on Saturday, May 14, 2016. In accordance with Article 5 of the Bylaws, the Business Meeting was called to order by Chairman Williams at 1:20 p.m.

Reports
Chairman Williams thanked all of those in attendance for Space Age’s 64th Annual Meeting. He then recognized the Board of Directors and Supervisory Committee members present. He also recognized all of the staff that were present. He then stated the importance of having so many members gather at Space Age’s annual meeting which truly differentiates the difference between credit unions and banks. He then stated that Space Age has been very busy the past year in completing a myriad of projects including logo change, branch relocation, headquarters relocation, online banking and other important projects aimed to serve our members at a higher level. He then introduced John Uchida, President of Space Age Federal Credit Union. Mr. Uchida thanked Chairman Williams for the introduction and welcomed the members to the 64th annual meeting. He stated that in looking around the room, he believes that there are at least four generations of members at this important event. He reiterated the importance of the Board of Directors and Supervisory Committee, and thanked them for their vision and vast amount of time spent in leading the credit union. He then recognized the staff one more time and said the reason the credit union is so successful is because of the people that serve the members. He said the credit union attained its highest asset level in its history at $113.3 million while serving almost 15,000 members. He then overviewed some of the projects that the credit union had undertaken, including the online banking transition which happened at the beginning of May 2016. He briefed the attendees on the reasons for switching and thanked them for their patience. He also stated that staff would be available at the end of the meeting to assist any members.

Appointment of Parliamentarian
Chairman Williams appointed Mr. Bob Wilson as Parliamentarian for the Annual Meeting.

Ascertainment of Quorum
Chairman Williams stated that with the outstanding attendance, a quorum was present.

Approval of Annual Meeting Minutes, May 9, 2015
A motion was made to dispense with the reading of the minutes and to approve them as presented. The motion was seconded and carried.
with questions or challenges. The President then recognized those people present at the annual meeting which included 1st Mortgages and Auto Trek. He closed by thanking the members for their attendance and trust in Space Age. Chairman Williams thanked John Uchida for his report. He then said the Supervisory Committee Report and Treasurer’s Report are located within the annual report for review. After which, a motion was made and seconded to accept all the reports as presented.

**Unfinished Business**
Chairman Williams stated that the agenda contained no unfinished business.

**New Business**
Chairman Williams called to the membership for any new business. There was none.

**Election Results**
Chairman Williams stated that Ann Franklin and Rick Koebert submitted their names to the Secretary for recommendation and they were each elected for a 3-year term. He then stated that Tarro McCray was appointed as an Associate Director for a 3-year term.

**Adjournment**
There being no further business, the meeting was adjourned at 1:50 p.m.

**Respectfully Submitted**

LC Williams  
*Board Chairman*

Ann Franklin  
*Secretary*
Welcome
Welcome to Space Age Federal Credit Union’s 65th Annual Meeting. We are pleased to be able to present to you the highlights from 2016 and also share our vision of the future. From our roots when the credit union started back in 1952 to now, our mission has been to provide world class products and services by a team of outstanding professionals. We continue to work hard to earn your trust and keep your membership.

2016 Highlights

Financial
We are pleased to report that in 2016, Space Age’s assets ended at $114.8 million, net worth ended at 8.37%, delinquent loans at .89% and charge offs at .34%. Once again, our financial position was verified by both our CPA auditors Petersen & Associates and the National Credit Union Administration. We are excited to report that Space Age Federal Credit Union once again received an unmodified or clean audit opinion which attests to the financial stability of the credit union.

New Headquarters and Branch
In the beginning of 2016, Space Age undertook the opportunity to move our branch and headquarters to a new location at the Marketplace. We listened to our members and designed the branch so there is more privacy within the offices when dealing with your financial matters. In addition, we believe the Marketplace has great access and visibility for our credit union. Along with these efforts, Space Age also changed its infrastructure on its network so that it has redundancy in the event of damage or power loss.

New Online Banking
We are also pleased to report in 2016, Space Age successfully converted our online banking program to another platform. This new platform allows greater versatility and ability for our members to utilize and access information about their accounts. It also opened up a new channel to deposit checks via a cell phone or tablet. Since this change, Space Age has now attained a record number of members signing up for online banking and also logging in regularly during the month from either their computers or mobile devices. Other features are planned and will be added in the future. Space Age also updated our website so that information is easier to access. Members have been pleased with the changes.

Community Focused
In 2016, Space Age continued to be active with many of our community partners and we participated in many events at Lowry Elementary, Interior Business Center, Rocky Mountain Road Runners, Vanguard School, Children’s Miracle Network, and the AFAFC/DFAS Retirees Organization.
Thanks to Volunteers and Staff
We’d like to take this opportunity to thank our Board of Directors who volunteer their time and expertise to assist Space Age in being a successful financial institution. Their vision and knowledge assists the credit union on a daily basis. We’d like to recognize the Supervisory Committee for their excellent participation in ensuring the credit union’s balance sheet and member concerns are handled appropriately. We’d also like to thank our staff for providing the outstanding service to our members. In fact, in 2016, Space Age achieved a 91% member satisfaction rating. This number was attained not through mail ballots but by actually calling the members shortly after their interaction with our staff and asking how they were served.

Welcome Jeffco Credit Union Members
Beginning January 1, 2017, Space Age is pleased to announce that we have partnered with Jeffco Federal Credit Union in Golden, CO. Jeffco FCU brings a dynamic membership and location to Space Age. We’d like to recognize Janis Vondra, President of Jeffco FCU, for her outstanding leadership and work in her tenure at the credit union. This partnership also gives Space Age another branch location on the west side of the metroplex. During 2017, we will be working extremely hard to convert all of Jeffco FCU’s systems to Space Age to enable them to have the same access to all of the products and services we offer.

Thank You
In closing, we would like to thank you, our members, for supporting our credit union. For it is you that makes our credit union great and we appreciate the opportunity to serve you. We also do not take the trust that you put upon us for granted as we know you have a multitude of choices every day of where you can conduct your financial services. We will remain focused and diligent on ensuring that Space Age Federal Credit Union continues to provide exceptional service to you and your family for generations to come. We appreciate you!

Thank you,

LC Williams  John R. Uchida
Chairman    President
Did you know?

On behalf of the Supervisory Committee, we would like to thank you for your years of continued patronage to Space Age. The Supervisory Committee is here to serve as your personal advocate, determined to provide you with the highest quality of member service. We independently evaluate the strength and soundness of Space Age’s operations and activities, and we are proud to offer you a safe and sound environment to conduct your financial business.

With the support of the Board of Directors and independent auditors, the Supervisory Committee ensures that the Credit Union’s assets are safeguarded by upholding procedures that comply with the Generally Accepted Accounting Principles. The Committee is also responsible for ensuring that Space Age’s audited financial statements provide a fair and accurate representation of the financial condition of the Credit Union.

2016 Independent Audits

Our independent auditors, the public accounting firm of Petersen & Associates, Certified Public Accountants, conducted a comprehensive opinion audit of Space Age’s financial statements for the period ending on September 30, 2016 and the related statements of income, changes in retained earnings, and cash flow for the year. They returned a detailed report to the Board of Directors, which confirmed that the Credit Union’s financial statements fairly represent the financial position of Space Age and conform to the Generally Accepted Accounting Principles.

In addition to our independent auditors, Space Age retained the Cornerstone Credit Union League Resources Department, CU Resources, to perform internal reviews throughout the year. These are ongoing reviews to ensure that the Credit Union’s policies and procedures are being followed and quality internal controls are in place. After each review, CU Resources provided a detailed report to the Supervisory Committee, the Board of Directors, and the Senior Management Team.

The National Credit Union Administration (NCUA), which is the regulatory agency for all federally-chartered credit unions nationwide, also performs annual supervisory examinations. The last examination performed was as of June 30, 2016. Based on this examination, they provided a report confirming that Space Age is prudently managed and is a financially sound institution.

2016 Opinion

Based on the results of the opinion audit, the internal reviews, and the NCUA supervisory examination, as well as the internal control work that the Committee performs on a regular basis, it is the opinion of the Supervisory Committee that Space Age Federal Credit Union continues to be financially strong and well-managed, with sound policies and programs. Space Age Federal Credit Union is in compliance with the Credit Union’s bylaws and applicable federal laws and regulations.

Thank you again for your trust and confidence in Space Age Federal Credit Union. We look
First and foremost, thank you for your continued trust and belief in Space Age Federal Credit Union. Your loyalty is vital to the Credit Union’s continued growth and success. We recognize that you have many options when it comes to banking, and we are honored that you have chosen Space Age as your primary financial institution.

2016 Financial Review
We are pleased to report that Space Age Federal Credit Union continues to remain a safe and sound financial institution. Total assets exceeded $114 million for 2016. Because of strong member relationships, increased operational efficiencies, and a strong net worth, Space Age continued to strengthen reserves while providing the innovative products and services our members needed and wanted.

Space Age ended the year with a net income of $153,719 which further helped to strengthen the Credit Union’s retained capital and overall financial position. Space Age’s delinquent loan ratio ended the year at 0.89%.

In 2016, net worth remained strong, ending the year at 8.37%. Net worth is a key measure of financial safety and soundness for credit unions, and a ratio of 7.00% or higher identifies a credit union as well-capitalized. The Credit Union’s solid net worth ratio was due to strong earnings on the loan portfolio, and a strong asset liability management program.

With interest rates remaining at historically low levels, gross income still exceeded $5.7 million. Our independent auditors, Petersen & Associates, Certified Public Accountants, also issued another “unqualified” or clean audit opinion of Space Age in 2016. The National Credit Union Administration reviewed our financial condition and found it sound as well.

Looking to 2017
The Space Age Board of Directors and Management Team remain optimistic as we continue to take on future challenges and opportunities. In 2017, Space Age will continue to implement and improve upon ways to meet the needs of our members, while staying focused on growing net worth and improving overall operational efficiencies. This will allow us to continue to strengthen our solid foundation and ensure we are here for our members for years to come.

We thank you, our member-owners, for your unwavering support of Space Age Federal Credit Union. Please do not hesitate to let us know how we can better meet your saving and borrowing needs.

2016 Financial Report

Note 1. Summary of Significant Accounting Policies

Loans to Members and Allowance for Loan Losses

Loans are stated at the amount of unpaid principal, reduced by an allowance for loan losses. Interest on loans is recognized over the term of the loan and is calculated using the simple-interest method on principal amounts outstanding. The allowance for loan losses is established through a provision for loan losses charged to expenses. Loans are charged against the allowance for loan losses when Management and the Board believe that the collectability of the principal is unlikely. The allowance is an amount that Management believes will be adequate to absorb possible losses on existing loans that may become uncollectible, based on the pooling method of evaluation that utilizes a 24-month rolling average of specific loan pools and losses associated with each pool. The accrual of interest on loans is discontinued when payments become two months delinquent.

Investments

Investments are stated at cost, adjusted for amortization of premiums and accretion of discounts, which are recognized as adjustments to interest income on investments. Gains and losses on disposition are based on the net proceeds and the adjusted carrying amount of the investments sold, using the specific identification method. The majority of investments are in United States Treasury Bills and certificates of deposit at federally-insured financial institutions.

Furniture and Equipment

Furniture and equipment are stated at cost, less accumulated depreciation. Depreciation is computed on the straight-line method over the estimated useful lives of the assets.

Dividends

Dividends to members on various types of share accounts are paid at various rates and are shown as a reduction to net income. Dividend rates are set by the Board of Directors and the Asset Liability Committee, based on an evaluation of current and future market conditions and available earnings.

Note 2. Income Taxes

The Credit Union is exempt from Federal taxes under the provisions of the Federal Credit Union Act.

Note 3. Pension Plan

The Credit Union has a 401(k) retirement plan which covers all eligible employees. The Credit Union funds pension costs on a current basis.
Note 4. Share Insurance
The National Credit Union Administration (NCUA) insures Credit Union accounts up to $250,000. Certain retirement accounts are separately insured up to $250,000. The NCUA Share Insurance Fund requires the Credit Union to maintain a deposit with NCUA.

Note 5. Lease
The Credit Union is committed to a lease on the main office building and branch in Aurora, Colorado. The lease expires on September 30, 2026. The lease is appropriately accounted for as an operating lease.

Note 6. Line of Credit
The Credit Union has a $7,800,000 line of credit agreement with Corporate America Credit Union. No borrowings were outstanding at December 31, 2016.

Note 7. Loans to Members
The composition of loans to members is as follows:
