- Next **Choose** what Account (Savings, Checking, External Account, etc.) you want to send the money to. Now enter the **Amount** you want to send.

The image shows two side-by-side screenshots of the Space Age mobile app's transfer screen. Both screens display the following fields: 'From this Account:' with a dropdown menu, 'To this Account:' with a dropdown menu, 'This Amount:' with a text input field, and 'With this Comment:' with a text input field. A 'Next' button is located at the bottom of each screen. In the left screenshot, the 'To this Account:' dropdown menu is circled in red. In the right screenshot, the 'This Amount:' input field is circled in red.

- You have the option to add a comment to the Transfer to label the it, such as **“Money for Mom”** or **“Saving to Checking – Car Loan”**. When you have done all the above, click on **“Next”**.

- To add the account, you will enter a “**Nickname**”, such as the name of the person you are transferring money to, “Mom” or “Grandpa” for example or what the outside account is used for such as “Outside Savings”. Then enter in the accounts **Routing Number** and **Account Number**. After that, select the **type of account**, “**Savings**” or “**Checking**”. Finally, Click on “**Next**”.

- If all the information entered is correct, you will have now added an external account to the possible accounts available to transfer money to.

NOTE: Two micro deposits of small amounts will occur into the new external account. You will be required to verify the transactions in order to finalize the setup of external transfers.
